Halo army: yes we did good job here now!

master chef: yes but were is kirby?!

\*master chef sees kirby lying dead far away\*

master chef: NOOOOOOOOOO KIRBY Saver OF OUR WORLD!

\*one year later\*

master chef: we now celebrate one year of dead kirby who fight for us till he dead! May he rip in peace!

halo army: all hail kirby... all hail kirby...

master chef: wait! something is wrong with you guys! what is wrong?

halo army: we are not ur army.. we are... Covenants \*removes disguises\*

covenants army: We will now kill you and take over world!

master chef: NO

covenant army: all hail master lord covenant of war!

\*they kill master chef\* \*and take over the world\*

THE END!

Thank you guys alot for reading my fanfiction !

I like this more than my other fanfictions! Especially the plot twist in the end! Did you get the shivers when the army was covenants? I did XD

End  
file.
